

Case Study: Building Project **I.T. Suite Extension**

Contract	I.T. Suite Extension, Brockwell Junior School
Client	Derbyshire County Council
Architect/ ProjectManager	Faithful and Gould
Contract/Value	£75,000.00
Carried out	July 2005 to October 2006

Description

An existing courtyard was infilled with a monopitched, steel framed extension to provide an I.T. Suite for the School. The front elevation comprised a timber frame, with a PVC-u glazed screen, and "Rockpanel Lines" cladding. The works also involved refurbishment to the staffroom and the conversion of the old I.T. room into a new changing room.
